

# VOLUNTEERS ARE NEEDED

Cabinet Today Considering Question.

PHILIPPINES SITUATION NOT REASSURING

Is Admitted That Peace Commission Has Failed.

NOTHING REMAINS NOW BUT TO WHIP INSURGENTS.

Gen. Otis Has Not a Sufficient Number to Accomplish the Undertaking.—To Send Reinforcements Looks as If Provisional Army Authorized by Congress, Must Be Formed.—All Business Suspended in Manila Today in Honor of Soldier Dead.—Impressive Services Held in Cemeteries Where Americans Are Buried.

Manila, May 30.—[Special].—All business is suspended here today in honor of the soldier dead.

Flags in the city and on the warships are at half mast. Most impressive services are being held in the cemetery where Americans are buried.

Body of Captain Tilley Found.

Manila, May 30.—[Special].—The body of Capt. Tilley, of the signal corps, who was attacked by treacherous natives while landing from the cable ship Recorder, near Escalante, Negros, was found in the river near the place where the attack was made. The body bears marks of violence.

Otis' Report Kept Secret.

Washington, May 30.—[Special].—The war department has important news from Gen. Otis which it refuses to make public. It is denied, however, that the message contains anything of an alarming nature.

The war department this morning received a cablegram confirming the kill of Tilley.

CONSIDER CALL FOR VOLUNTEERS

Peace Commission Has Failed.—Must Whip Insurgents Completely.

Washington, May 30.—[Special].—The cabinet today will no doubt consider the question of calling for volunteers for service in the Philippines.

The situation in the islands is not reassuring just now.

The peace commission, it is admitted, has failed, and nothing now remains but to whip the insurgents completely.

Gen. Otis has not a sufficient number of men to accomplish this and to send reinforcement looks as if the provisional army authorized by congress, must be formed.

REVOLT IS PRACTICALLY ENDED

President Takes No Stock in Scare Stories Sent from Manila.

Washington, May 30.—The plan to have the volunteers now in the Philippines brought home within the next two months has not been abandoned. The president does not take any stock in the scare stories sent from Manila. Gen. Otis is preparing to send the volunteer organizations home on the transports he has at Manila. The war department will bring all these volunteers to the Pacific coast and then muster them out, giving them travel pay to their homes. A member of the cabinet said Monday the administration believed the insurrection was ended, so far as fighting was an evidence of insurrection. There would be guerrilla skirmishing probably for some time, for it would be months before every robber and brigand in the Philippines desirous of shooting at American soldiers could be caught.

THE REGIMENTS ARE TO CHOOSE.

Elections to Be Held to Select the Place of Mustered Out.

Washington, May 30.—A cablegram, being prepared under instructions from Secretary Alger, will inform the soldiers in the Philippines of all the circumstances and conditions surrounding their muster out. Each regiment will be given separate information, and Gen. Otis will be instructed to have elections held that the boys may decide where they will be mustered out. A cablegram received from Gen. Otis Monday announced that the Oregon regiment would be mustered out at Portland. The Washington regiment elected to be mustered out at San Francisco.

Dewey Wants Comfort.

Hongkong, May 30.—Admiral Dewey, in explanation of the lateness of the date when he expects to arrive in the United States, says that inasmuch as this is his last cruise, he has no intention of hurrying home. He says he wishes to prolong his cruise in temperate latitudes sufficiently so that when he arrives in the United States he may be in perfect health.

## J. C. HAMILTON WRITES HOME

Tells of Immigration as Carried On in the Dakotas.

John C. Hamilton, a former local resident, who is now station agent at Killbuck, North Dakota, sends local friends a most interesting account of immigration as carried on in the Dakotas.

Mr. Hamilton tells of a German family landing in his town on the Soo line and of a mother giving birth to a boy whose first words were, "Rah, Rah, Bryan." Being a strict republican Mr. Hamilton says that if prospective voters begin to shout for Bryan so soon after arrival in this country the Republican party better commence hustling right now.

Meals will be served at a large number of places in the city by the various organizations and there will be plenty of refreshments for all who visit the Line City. The W. R. C., several of the churches and the Royal Neighbors will open dining rooms besides the regular hotels and restaurants, whose force will be increased.

## OWEN'S RETURN ENGAGEMENT

"The Three Guardsmen" At Myers' Grand, June 2.

The scenery used in Mr. William Owen's production of "The Three Guardsmen" is all especially made for this piece. The grand ball room scene in the last act, the Queen's apartments in the first act and the magnificent moonlight effect in the third act, are all magnificent. The costumes worn by the Owen company are the most gorgeous and expensive worn by any traveling company in the west. They are all historically correct and are marvels of beauty.

To Keep the Church Intact.

New York, May 30.—More than forty priests who are prominent in the Episcopal church in this city met at the Hotel St. Denis Monday and discussed the situation in their church in view of the recent ordination of Dr. Briggs. The general sentiment was to the effect that the Episcopal church was sound at heart in its belief that the Bible was the word of God, but that the advancement of Dr. Briggs to the priesthood had laid the church open to the accusation that it was tolerant of unbelief in the Bible. A committee was appointed to consider and report at a future meeting the wisest course to pursue.

Reina Mercedes Is Accepted.

Washington, May 30.—The navy department has instructed the commandant of the navy yard at Norfolk to accept the Spanish prize Reina Mercedes from the Merritt & Chapman Wrecking company. ## EXAMINE WITNESSES

IN DREYFUS CASE

COURT OF CASSATION RESUMES ITS SITTING.

M. De Coulede and Marcel Habert Before the Bar of Justice.—Indications Point to Excitement—President Civil Chamber Resumes Reading of Report—Feeling of Uneasiness.

Paris, May 30.—[Special].—The court cassation resumed its sittings for the hearing of arguments in the Dreyfus revision case and the examination of Deroulede and Marcel Herbert this morning.

There are a few indications of excitement in the vicinity of the palace of justice.

The same precautions are observed as on yesterday for the preservation of order. The president of the civil chamber resumed the reading of his report on the Dreyfus case.

The fact that the people are showing no tendency toward a demonstration makes the government uneasy.

The Orleanist and Bonapartists agents who left Paris when Deroulede was arrested for attempting to incite a military revolution are back again, with apparently much money.

The reading of the report was concluded this afternoon. It concludes with a statement by the president of the civil chamber of the court of cassation, who wrote in his report that he believed in his soul and conscience that Esterhazy wrote Bordereau, on which Dreyfus was convicted.

C. C. Roe, secretary of the executive committee, received a telegram from Judge Tarvin, stating that 153 bimetallic organizations had reported to him their intention of being represented at the convention, and that these combined organizations were entitled to 3,463 delegates. He was frightened away and took refuge under a deserted house, where he was captured. Fieldings was brought here and placed in the lockup, but the authorities heard murmurings of a lynching which needed only a leader to become a reality, and the negro was hustled off to jail at Newton.

## HOLD INTERESTING MEETING

Women Here Attended Meeting of State Federation of Women's Clubs.

Of interest to the women of southern Wisconsin and especially to the two hundred women in the study clubs of Janesville will be to learn of the meeting held in Milwaukee last week by the executive board of the State Federation of Women's Clubs in conference with members of the National Board and Citizens' Advisory committee, of Milwaukee.

Last June the State Federation of Wisconsin, at the request of the Business League of Milwaukee, extended an invitation to the General Federation to hold its next biennial meeting in Milwaukee in 1900. In October the G. F. W. C. board at its meeting in Omaha, accepted the invitation, consequently the State Board is an important factor in the arrangements for next year. The members of the program committee of the General Federation, all of whom are leaders of the club work of the country, are Mrs. Rebecca Lowe, of Atlanta; Mrs. W. F. Helmuth, of New York; Mrs. Sarah S. Platt, of Denver; Mrs. Edward Bookwalter, of Springfield, and Mrs. George W. Kendrick, of Philadelphia.

The Woman's Club of Milwaukee, contains over two hundred members. Its principal work this summer will be the establishment of summer vacation schools. On Thursday the members of the National and State Board were entertained by this club at the Athenaeum. Elegant addresses were given by the members of the National committee.

## THE BELOIT HIGHS DEFEATED

Easy Victory for Janesville Boys in Friday's Game.

Yesterday's game of base ball between the Janesville and High school teams at Athletic park, resulted in one more victory for the local nine, defeating the Beloit boys by a score of 21 to 4.

The game was one-sided, uninteresting, the visitors were outplayed in every particular. The four scores made by the Line City boys in the eighth inning were unearned, and had it not been for an error on the part of one of the home boys, the visitors would have been shut out.

The teams lined up as follows:

| JANESVILLE | Position | BELOIT  |
|------------|----------|---------|
| Palmer     | P.       | Sherman |
| Bonstedt   | C.       | Gardner |
| Carr       | 1b.      | Blair   |
| Wag.       | 2b.      | Little  |
| Dougherty  | 3b.      | Jenkins |
| Nutt       | S.S.     | Blair   |
| Kennedy    | L.F.     | Irwin   |
| Anderson   | C.       | Mills   |
| Carpenter  | R.F.     | Perkins |

The score by innings was as follows:

|            |   |   |   |   |   |   |   |   |   |    |
|------------|---|---|---|---|---|---|---|---|---|----|
| Janesville | 3 | 1 | 4 | 0 | 0 | 1 | 3 | 9 | 0 | 21 |
| Beloit     | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 4 | 0 | 4  |

Six Corners.

Harmony, May 30.—The storm Sunday evening was terrifying in violence for a time, but did but little damage here. A few shade trees were blown down, and at Dexter Gray's a building used by Mr. Gray's tenant as a cow stable was carried some twenty rods and dashed to the ground and then scattered in pieces over a ten-acre lot. Charles Saxe and George Reynolds mourn the loss of a horse, which died Friday. The animal belonged to Mr. Reynolds and had been loaned to Mr. Saxe, and died while the latter was using it. A W. C. T. U. social will be held at the home of Mrs. Flora Rice on the evening of June 7, and a good time is in store for all.

Michael Powers was in Milton Junction yesterday as defendant in a damage suit brought by Fort Atkinson parties. Mr. Powers hired a team of the plaintiff to go to Whitewater on the occasion of his child's funeral, returning them to their owners at Fort Atkinson. It is claimed that the horses were overdriven, as one of them died soon after. Some of our farmers will have to replant their early planted corn. George Reynolds has been in Chicago some time as a witness in a railway damage suit. Mrs. Minta McComb, of Lima, spent several days at the home of her sister, Mrs. Bingham, last week.

Lima Center.

\$13,000 Thus Far Paid.

Havana, May 30.—[Special].—Thirteen thousand dollars has been paid out to Cuban soldiers thus far.

General Gomez is now out scouring the country for men who are entitled to receive pay, as he is anxious for the good work already begun to proceed with a rush.

Havana, May 30.—The chink of American silver has broken down the patriotic scruples of the Cuban army, and more than 200 cotton-clad riflemen saluted Col. Randall and his paymasters at La Punta fortress Monday. Though a hundred-odd failed to qualify, their names not appearing on the official lists, 114 carried away big rolls of silver, and only eight of them failed to deliver a Mauser or a Remington in exchange for the dollars.

The process of payment is so slow, owing to the difficulty of finding the names in the lists and identifying the individuals, that when the money chests were locked at sunset more than 100 men were still awaiting the examination.

At Cardenas sixty-nine of the soldiers paid belong to the infantry regiment of Havana, which will disband at Guanabacoa, and thirty-six to the regiment of Francisco Gomez, which disbanded at Luyano, four miles south-east of Havana, Monday. Two-thirds and more of the men are negroes.

The Habana cavalry regiment, which is under the immediate control of Mayra Rodriguez, is still holding out against acceptance of the American money, but Col. Randall and Major Dodge are confident that the coming two weeks will work a change of heart, and that the majority of the 500 cavalymen will take advantage of the supplementary season to turn in their arms.

Major Dodge and Col. Randall, with a retinue of soldiers, started for the provinces this morning with \$160,000 packed in cartridge boxes. A detail of thirty men of the Eighth infantry will guard the money.

The officials are jubilant at the prospects. Col. Randall insists that the backbone of the boycott is shattered. The belief is growing, even among the Cubans, that the chiefs will be unable to maintain their hold, and developments at Santiago will be watched with keen interest.

## Hair Grower and Scalp Cleaner?

If not, do not delay longer, as the days of the exhibition are limited. It will pay anyone to see the luxuriant growth of hair worn by the ladies in attendance, which, by the way, was produced by the use of the highly meritorious preparations they represent, and was not inherited, as some people think. The ladies will cheerfully give to all visitors, free of cost, any information desired regarding the necessary treatment of the hair and scalp to produce the best results. It costs nothing to see this great exhibition, so why not come today? Everybody is invited.

## AFTON WOODMEN TO LINE CITY

Wind Does Much Damage—Children's Day at Baptist Church

Afton, May 30.—Despite the rain of Saturday evening there was a large attendance at the regular meeting of Afton Camp No. 2192, M. W. A. One new member was adopted and final arrangements made for attending the big picnic at Beloit next Thursday. J. B. Humphrey was selected captain and W. J. Miller will carry the banner aloft in the big parade. The Forester team will look resplendent in black shirts, white duck trousers and the regulation M. W. A. caps and leggings. The team now numbers twelve men besides the chief and is composed as follows: Chief Forester, Edward Hammel; Foresters, J. P. Bolte, Frank Geeser, Charles Hudson, J. A. Drummond, W. A. Schultz, Louis Uehling, Fritz Holzaphel, F. H. Otis, C. J. Kilmer, Dick Brinkman, C. H. Griffen and A. W. Stark. The members of the Camp will be arrayed in white coats, blue overalls and light crush hats and a majority will probably carry canes. The terrific wind which accompanied the heavy rain storm of Sunday evening did an immense amount of damage in this vicinity. Windmills, sheds, fences and trees were destroyed, reports of disasters to the first named structures coming in thick and fast from all quarters. Right here in the village the large new mill at the home of W. J. Miller was ruined, the wind pulling the tower from the ground and hurling it several feet from where it had stood. Services at the Baptist church were interrupted, Pastor Todd breaking off in the midst of his Memorial discourse because of the storm. The Baptist Sunday school will observe children's day, Sunday, June 11th, for which occasion a suitable program is being arranged. Mr. and Mrs. A. W. Antisdel, of Postoria, Iowa, are visiting relatives in Afton and vicinity. They came east to attend the silver wedding anniversary of Mr. and Mrs. J. A. Love, of Beloit. The Baptist Y. P. S. C. ## COMMENCEMENT AT SHOPPIERE

Exercises at the Congregational Church, Friday Evening.

Shopiere, May 30.—Commencement exercises at the Congregational church Friday evening, June 2. The grammar school program includes the full orchestra of thirteen pieces, from the State School for the Blind, dumb bell drill, essays, declamations, choruses, duets, solos, etc. Admission ten cents. Owing to the heavy rain Sunday morning, there were not as many at the church services as there would have been if the day had been pleasant. The tribute to the dead soldiers was very interesting and patriotic. Woodmen of camp 1375 will meet opposite the Catholic church, in the park, on Thursday, June 1, at 11 o'clock sharp. J. B. Hume is shingling his house and making many improvements on his farm in this place. George Vicar, our road commissioner, has begun his labors on the roads. Ed. Fonda spent a few days in Chicago last week. Jerome Shimeall went to Chicago with a load of hogs recently. Ray Shimeall and son came home with him to spend Sunday. Mr. Shimeall is express messenger on one of the roads leading out of Chicago. Miss Jennie Weirick of Darlington, is spending a week with her parents. Ray Manley came up from Rockford Saturday to remain a few days. Mr. and Mrs. Bigsby are getting ready for keeping house in the village. Captain A. W. Allyn is again under the weather, suffering with his old complaints. A very heavy wind and rain storm passed over this village Sunday evening about 9 o'clock, doing considerable damage to buildings and trees.

Cainville.

Cainville, May 30.—Elder Christian delivered a very impressive memorial sermon at the M. E. church Sunday afternoon. Quarterly meeting will take place June 11, instead of May 28, as was stated last week. The remains of the infant child of Mr. and Mrs. Thomas Fall was brought up from Beloit last Saturday and interred in the North Magnolia cemetery. Truman Andrews had the misfortune to have one of his work horses die. The Ladies' Aid society will meet with Mrs. C. C. Howard, June 8. There is quite a call for tobacco plants these days. David Andrew has returned to his home, looking well and hearty, after spending five months with his daughter. This is the longest time he has been away from his farm since coming here in 1858. Oscar Collins is still unable to get around very much. Those who have stock to sell miss his shipping from this station. Some of the farmers have not finished planting corn yet. The continual rains will delay planting for a few days. At the present writing Mrs. Aston Cole is quite sick.

## PRES. WHITFORD RETURNS TO MILTON

SOUTHERN TRIP GREATLY IMPROVES HIS HEALTH.

Memorial Services at the Congregational Church Were Well Attended—Very Impressive and Appropriate to the Occasion—Representatives at Seventh Day Baptist Meeting.

THE GAZETTE AGENCY  
W. W. CLARK, Manager,  
Milton, Wis., May 30, 1899.

President Whitford returned Friday from his trip to Denver and Santa Fe, in much improved health. In company with the finest scenic photographer in the country he visited a hitherto unknown battle field and secured some twenty fine views thereof for the Santa Fe railroad company, under whose auspices he made the trip. Undoubtedly he will prepare for publication an article treating of this special feature of his trip.

The Memorial services at the Congregational church Sunday morning were well attended. The sermon by Pastor McClelland was an admirable discourse and the other services and music appropriate to the occasion. The church was nicely decorated with bunting, flags and potted plants.

Milton was represented at the Seventh Day Baptist quarterly meeting held Saturday and Sunday at Walworth by S. J. Clarke, Olney Moore, C. and H. Scowell, J. B. Hutchins, E. A. Babcock, G. O. Sayre and P. Clement and Misses Hattie and Nellie Moxon, Mattie West, Elsie Ritchey, Beesie Clarke and Clara Barnhart.

Prof. Grimes, not the deceased old gentleman familiar in song, but the man who was a phonologist before Dr. Fowler became noted in that line, and now 92 years of age, spoke at the M. E. church Sunday evening on the fallacy of infidelity. Despite his age the old gentleman is as active in body as he is fluent in speech.

William McCulloch, of Pomeroy, Iowa, visited his nephew, D. McCulloch, this week. He formerly resided on Rock Prairie and it is his first visit in many years.

Chas. S. Sayre occupied the pulpit at the Seventh Day Baptist church Saturday morning.

Dr. Luther L. Bond of West Side, Iowa, called on his old comrade in school and army life, W. P. Clarke, Friday. Milton C. Whitford writes from Columbus, Neb., that he is doing a nice business in that state for the Page Fence company, and is likely to remain there until next winter.

John Home of Milwaukee, has been visiting Milton relatives this week.

Jay Campbell and wife were called to Grant Park, Ill., Saturday, by the death of Mr. Campbell's mother, who was ninety-two years of age.

Channing A. Richardson has finished another year of work at Northwestern University, and after a few days of rest at home will spend the summer in Marathon, preaching.

James Pierce is improving slowly, but is not able to get about town at present.

Miss Lucy Walker came back from Beloit Monday morning.

O. B. Garrison, of Oshkosh, is in town visiting old time friends and relatives. "Orin" is still pulling the ribbons over trotters.

Principal James B. Borden, of Marshfield, spent Sunday in the village.

The following officers were elected by Du Lac Lodge I. O. O. F. Monday evening: E. D. Coon, N. G.; E. L. Bingham, V. G.; J. S. Fetherston, Sec.

## LUTHERAN SYNOD'S FINANCES.

Total of \$3,222,907 Raised for All Purposes in Two Years.

York, Pa., May 30.—Monday was church extension day in the general synod of the Lutheran church of the United States. Rev. H. H. Weber, secretary of the board, reported that the total net receipts from all sources for the past two years amounted to \$31,103. Bequests during the past two years amounted to only \$966. Loans, donations and special appropriations have been made to 113 different points. The total assets of the board amount to \$352,434. The appropriation for the next biennium was fixed at \$80,000, which is \$10,000 in excess of the board's recommendation.

Rev. W. S. Hinman of Chicago, statistical secretary of the synod, reported twenty-four district synods, with 1,545 churches. Losses during the biennium, 25,570; accessions, 38,074, making the present communicant membership 192,299. The congregations own property valued at \$12,129,943, on which the indebtedness is \$1,264,508. The contributions for missions and other benevolent work aggregated \$477,185. A total of \$3,222,907 was raised for all purposes.

## PANA LABOR CASES DECIDED.

State Board of Arbitration Fixes the Price of Mining at 80 1-4 Cents.

Springfield, Ill., May 30.—The state board of arbitration has rendered its decision in the matter of the joint application of the Pana, Springside and Penwell coal companies of Pana and their former employees. The board fixes the price of mining at 80 1-4 cents per ton, which is 3 1-4 cents more than the amount that was being paid prior to the suspension April 1, 1898, and is 9 1-4 cents less than the scale rate fixed by the state convention. The board, however, recommends an advance in the price of entry and narrow work and day labor, and also that the miner be paid an additional sum of \$4 for the first fifteen feet for turning a room. The board also makes other recommendations, among which is the following: "That the several operators recognize the United Mine-Workers of America and observe the rules of that organization in the operation of their mines."

## Grain-O Brings Relief

to the coffee drinker. Coffee drinking is a habit that is not generally indulged in and almost as universally injurious. Have you a headache? Or is it possible like coffee, but the effects are just the opposite. Coffee upsets the stomach, causes indigestion, affects the heart and disturbs the whole nervous system. Grain-O tones up the stomach, aids digestion and strengthens the nerves. There is nothing but nourishment in Grain-O. It can't be otherwise. 15 and 25c per package.

TO CLEAN CARPETS.

If you have a carpet that looks dingy and you wish to restore it to its original freshness, make a stiff lather of Ivory Soap and warm water and scrub it, width by width, with the lather. Wipe with a clean damp sponge. Do not apply more water than necessary.

The vegetable oils of which Ivory Soap is made, and its purity, fit it for many special uses for which other soaps are unsafe and unsatisfactory.

## Must Subdue the Khalifa.

Cairo, May 30.—Gen. Lord Kitchener, sirdar of the Egyptian forces and governor-general of the Egyptian Sudan, in common with other military authorities in Egypt, considers the expedition against the Khalifa Abdullahi absolutely necessary to the pacification of the Sudan. The sirdar, who has left for England, probably will settle this question with the British authorities.

## Writes on Indian Lands.

Appleton, Wis., May 30.—White settlers whose lands adjoin the Oneida Indian reservation north of here are to be brought into court this week to answer for their appropriation of nearly 1,000 acres of land belonging to the Indians. Government surveyors are running new lines, and their report will result in the prosecution of alleged intruders.

## Gen. Henry Heth Is Very Ill.

Washington, May 30.—Gen. Henry Heth, the well known confederate officer, is lying very low at his home in this city. He has never recovered from an old attack of the grip, and other complications have set in. Gen. Heth, next to Gen. Longstreet, is the oldest surviving confederate general.

## THIS DAY IN HISTORY.

1640—Peter Paul Rubens, the great Flemish artist, died; born 1577. Rubens was the most celebrated of the Flemish school of painters. His early masters were Flemish; afterward he passed eight years in the studios of Rome. On his return to Antwerp he produced what is considered by many his masterpiece, "The Descent from the Cross." His rise was rapid, and he was employed in diplomatic services. Charles I of England and Philip IV of Spain conferred upon him the honor of knighthood.  
1744—Alexander Pope, poet, died; born 1688.  
1778—Voltaire died; born 1694.  
1814—James M. Smith, founder of the Latter-day Saints, died; born 1762.  
1857—Major Ben: Perley Poore, journalist and author, died in Washington; born in 1820.  
1887—Rev. L. M. Pease, founder of the first mission at Five Points, New York city, died at Asheville, N. C.; born 1818.

## THE HEROIC DEAD.

Four score and seven years ago our fathers brought forth upon this continent a new nation, conceived in liberty, and dedicated to the purpose that all men are created equal. Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battle-field of that war. We have come to dedicate a portion of that field as a final resting-place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this. But in a larger sense we cannot dedicate, we cannot consecrate, we cannot hallow this ground. The great men, living and dead, who struggled here, have consecrated it far above our power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us, the living, rather to be dedicated to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be dedicated to the great task remaining before us, that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we highly resolve that these dead shall not have died in vain; that this nation under God, shall have a new birth of freedom, and that government of the people, by the people, and for the people, shall not perish from the earth.—LINCOLN.

## CRITICISE MR. HOPKINS.

The Chicago Times-Herald criticizes Representative Hopkins' campaign for the speakership, saying:  
"General Henderson came to Chicago last Friday to meet Congressman Babcock, of Wisconsin.  
"Congressman Hopkins came to town the same day to be closeted with John R. Tanner and William Lorimer, in a secret conference.  
"On Saturday the Wisconsin Republican delegation voted to cast its ten votes for General Henderson, of Iowa.  
"Tis a brief tale, full of food for reflection, and needs no diagram."  
The Times-Herald argues that General Henderson conferred with men who made speakers, while Representative Hopkins did not. This reasoning is good in one respect—the Wisconsin Congressmen now certainly control the situation.

General Henderson is in every way qualified for the position of speaker of the House, and Wisconsin's congressmen have acted wisely in deciding to support him. It is now practically assured that the contest will be between General Henderson and Representative Sherman of New York, and the Iowa's chances of success are exceedingly good. Representative Hopkins of Illinois, is now believed to be out of the race, and it is likely that the Illinois delegation will support General Henderson.

The Milwaukee Journal turns from the subject of relentless politics long enough to say, "Someone who doesn't know says that it is better to kiss one woman 100 times than to kiss 100 women once each. No one will deny, however, that it is better yet to kiss 100 women 100 times each."

Either the writer of that paragraph is a single man, or he is so bald that his wife cannot get a hand-hold.

Congressman Cooper may well feel proud of the handsome compliment paid him by his colleagues in selecting him as chairman of the Wisconsin delegation in the speakership contest.

General Otis says the rainy season will in no way interfere with the American campaign in the Philippines. It takes more than a rain storm to stop Uncle Sam's brave boys.

Another man has jumped from Brooklyn bridge and escaped uninjured. But he can't dodge the fool killer forever, and will get his deserts after awhile.

Milwaukee Evening Wisconsin—David Bennett Hill said, "I am a democrat," but William Jennings Bryan says, "I am the democrat."

Perhaps the Cuban people prefer to earn their own living, and do not want Uncle Sam's charity. If this the case, so much the better.

The Milwaukee Journal man who wants to kiss 100 women 100 times

each should go to Paraguay. In that country a gentleman is enjoined by the laws of good society to kiss every lady to whom he is introduced.

There are about 900 men in Janesville who could float the steamer Paris if she were grounded in Rock river under the same conditions.

Admiral Dewey evidently thinks that the best way to secure a rest, is to make haste slowly in coming home.

The members of the peace conference are still sparring for wind, but one of them is expected to lead out soon.

How much per week could an enterprising museum proprietor afford to pay Dreyfus?

Janesville should have a militia company and it is to be hoped that one can be formed.

## You Don't Break Them In

Julia Marlowe Shoes and Oxfords lay to the foot perfectly the first time you put them on. There is no necessity for the usual "breaking in time" that most Shoes require. They embody a rare combination; with absolute comfort you also get perfect style. Rarely you see a Shoe that is comfortable that is really handsome. Not so with Julia Marlowes. The elastic going over the instep gives the ease, and the style is equal to any Shoe you ever saw.

A Few Points wherein the Julia Marlowe styles differ from other Shoes.

They fit like a glove.  
They never pinch the foot.  
They are beautiful in design.  
They fit high or low instep.  
They yield to every action of the foot.  
They conform in vital points to the shape of the wearer's foot instead of pressing the foot into the shape of the shoe.

If a thing has to be done, the barbarian does it regardless how. He doesn't stop to think. MEMORIAL DAY  
IN BOWER CITY

Both Cemeteries Thronged  
With People.

DAY OBSERVED IN A MOST  
FITTING MANNER.

Parade a Grand Spectacle, Local Veterans  
Turning Out in Full Force—  
Weather Was Most Beautiful—  
Floral Offerings Were Abundant—  
No Graves of Departed Heroes  
Were Neglected—Woman's Relief  
Corps Plays An Important Part In  
Exercises—Elaborate Decorations  
Throughout the City.

Janesville observed Memorial day in  
fitting style, the graves of all who gave  
up their lives in defense of their country  
being strewn with flowers.

Ideal weather made the day perfect,  
and it seemed as though the entire city  
turned out to do honor to the occasion.

Business houses were decorated with  
flags and bunting.

During the early hours of the morning  
and until the noon hour both Oak  
Hill and Mount Olivet cemeteries were  
thronged with people carrying baskets  
of flowers, which they tenderly placed  
upon the graves of departed, but not  
forgotten heroes.

During the past two days members of  
the Woman's Relief Corps have been  
faithfully at work arranging floral offerings,  
so that no grave should be neglected.

At 2 o'clock the parade formed at the  
corner of Main and Court streets, and  
for a city the size of Janesville, it was  
a most creditable showing.

C. D. Chubb, as marshal, headed the  
procession which left the park at the top  
of the fire bell at the west side fire station.

The procession passed from Main to  
Milwaukee street then west to Jackson  
and north to Washington street thence  
to the cemeteries, passing in the following  
order:

City Marshal and Assistants,  
Fire Police,  
Y. M. C. A. Band,  
Christ Church Cadets,  
Drum Corps,  
Grand Army,  
Spanish War Soldiers,  
W. R. C. in Carriages,  
Decorators,  
Fire Department,  
Mayor and Spontor,  
Common Council,  
Citizens in Carriages.

At the cemeteries the usual exercises  
were carried out the firing squad being  
composed of members of Christ Church  
Cadets. New graves were strewn with  
flowers this year, they being veterans  
of the late Spanish-American war.

Each year the observance of Memorial  
day becomes a sadder spectacle. The  
thinning ranks of the dead are marked  
in even steps with the increased number  
of flag marked mounds in the city of the  
dead and the little band that gathers  
under the trees and keeps green the  
memory of fallen comrades grows less  
year by year and the steps of the survivors  
become feebler.

The uncovered heads make a patch of  
white in the front of the audience that  
assembles and the canes are more in  
evidence as each 30th of May comes and  
goes.

In both local cemeteries it seemed  
as though more people were on hand to  
do honor to the dead than have turned  
out in years.

The late war has no doubt revived interest  
in this most sacred day.

Ex-members of Co. A, U. S. V., remembered  
their late comrade and companion Harry  
Gifford. As a token of  
fond remembrance, a beautiful floral design  
in red, white and blue was placed on  
his grave.

Hundreds of floral offerings were on  
hand today and after the placing of  
new flags at the head of each grave the  
throng slowly and sorrowfully wandered  
back to the city.

Very appropriate exercises were held  
at the State School for the Blind, beginning  
at 10 o'clock. Dr. J. B. Whiting  
was present and delivered a very appropriate  
and patriotic address.

Thus was Memorial Day observed in  
Janesville.

STUDENTS HONOR DEAD HEROES  
Interesting Program Rendered By High  
School Pupils.

The auditorium of the High school  
building was fairly crowded last evening  
with patriotic citizens of this city who  
assembled there to join with the students  
in honoring the dead soldiers, it being  
the first time the High school students  
ever held a service in commemoration  
of Memorial day.

Supt. D. D. Mayne, presided, and the  
W. H. Sargent Post No. 20, G. A. R.,  
and W. H. Sargent W. R. C., No. 21,  
were present.

The exercises of the evening opened  
with a selection by the G. A. R. rifle  
and drum corps and the audience joined  
in the singing of "America."

Fred Holt delivered the opening address,  
which was a most patriotic  
and brought forth a hearty applause.

Miss Margaret Jackson's recitation,  
"The Old Grand Army Boys," was well  
rendered. An encore was demanded but  
Miss Jackson declined.

The Boys Glee club, of the High  
school, under the direction of Prof.  
Blyman, won great praise for its rendition  
of a beautiful Memorial day song,  
"Cover Them Over."

"Lincoln's Address at Gettysburg"  
was delivered in a most pleasing manner  
by Harry Kirkland, followed by a recita-

oil, onion juice, paprika and a little salt. Set  
over the fire in a double boiler and stir  
over five minutes to cook the bread. Add  
a teaspoonful of butter and, if you like,

tion, "Keenan's Charge," by Thomas  
Hogan.

The male quartette, consisting of Levi  
Ross, Will Dougherty, Oscar Servatius  
and Ross Bump, sang a song in praise  
of Wisconsin, the words of which were  
composed by Miss Dell Miltimore. The  
solo part was sung by Will Dougherty.  
Miss Imogene McDonald gave "Mc-  
Kinley's Address at Omaha," in a man-  
ner that could not help but please.

S. C. Burnham, commander of W. H.  
Sargent Post, after thanking the school  
for their kind invitation, paid grand  
compliments to the Grand Army, the  
Woman's Relief Corps, Memorial day  
and the young people. Mr. Burnham  
closed his brief remarks by calling on  
the Post to give the Grand Army cheer  
for the High school.

Supt. Mayne then announced that as  
an extra treat he would call on Rev. H.  
W. Thompson, of Fond du Lac, who  
was present. Rev. Thompson's remarks  
were in honor of the young people of  
the public schools.

The Glee club sang "Tenting To-  
night." The verses were sung by Levi  
Ross and Oscar Servatius, and the num-  
ber made a most fitting close.

Superintendent Mayne thanked the  
Grand Army boys and the Relief Corps  
for their presence, and stated that he  
hoped this entertainment would be the  
first of many of a like nature.

Request an Increase of Pay—Mayor  
Directed to Borrow \$6,000—Ordin-  
ance Providing For Election of Street  
Commissioner Laid Over.

A regular meeting of the common  
council was held at the council chamber

The fire and water committee was  
granted more time to report on the pe-  
tition from the "call members" of the  
fire department, requesting that their  
pay be fixed at \$100 a year instead  
of \$75.

A petition signed by owners of prop-  
erty on the raceway was presented, re-  
questing that some measure be taken to  
change the place where the sewers and  
gutters from Wall and West Bluff streets  
now empty into the race. Referred to  
highway committee who were given  
further time to report.

standard gauge as represented on the  
map on file in the office of the city

switches and turnings on North River  
street. The ordinance was given its  
first and second reading.

Alderman Rice moved that the rules be suspended  
and it be put upon its passage. After

bers, the matter was referred to the  
highway committee for further action.

Alderman Fifield made a report from  
the license committee in regard to the  
license of the Myers Grand Opera house,  
which was adopted. He showed that  
the house was not paying expenses and  
recommended that a resolution be passed  
remitting all sums now due from Man-  
ager Myers and amending the ordinance  
fixing the license at some nominal sum.  
Mr. Fifield introduced an ordinance re-  
ducing the license from \$150 to \$1.00  
per year. The ordinance was referred to  
the judiciary committee. The vote  
was a tie, the mayor deciding the ques-  
tion by voting aye.

An order by Alderman Sennett was  
adopted, ordering the trees in the court  
house park trimmed and the dead ones  
removed.

Alderman Peters introduced an order  
granting George R. Fetherstone leave  
to fill that portion of Fourth avenue  
lying east of the edge of the water in  
Rock river, and between the approach  
to the bridge and his proposed building,  
so as to make it level with the approach  
to the bridge and to place thereon a  
scale, the floor to conform to the grade  
of the street, and that he have leave to  
drive piles in the river to support a sub-  
stantial platform between the  
northerly side of the proposed  
building and the southerly side  
of the bridge, and to remove the railing  
on the bridge where the platform is lo-  
cated and put the same around the  
platform so as to permit access from the  
bridge to the northerly side of the  
building, he to fill the street, construct  
the platform and keep it in repair, the  
city reserving the right to widen the  
bridge at any time it may desire to do  
so. Ald. Sennett moved as an amend-  
ment that the matter be referred to  
the highway committee with power to  
act, which was adopted.

The original motion, as amended, was  
then adopted.

FOURTH OF JULY  
LACKS ENTHUSIASM

BUSINESS MEN DO NOT FAVOR  
CELEBRATION.

No Move As Yet Has Been Made  
In The Several City To Honor the  
Day—Several Of The Surrounding  
Towns Have Already Laid Plans  
For Rousing Time.

Present indications are that no Fourth  
of July celebration, worthy of mention,  
will be held in Janesville this year.

Aside from the noise made by the  
small boy and the usual display of flags,  
the coming Fourth promises to be a  
quiet one here.

No move toward a celebration has been  
made by local business men as yet and  
now that the time for making such pre-  
parations is getting late, it is not at all  
likely that the matter will be taken  
under serious consideration.

The holding of several state conven-  
tions here this summer, including the  
state L. A. W. cycle races in July, has  
caused many of the business men to  
think that Janesville can easily spare  
her Fourth of July celebration this  
year.

One of the city aldermen said this  
morning:

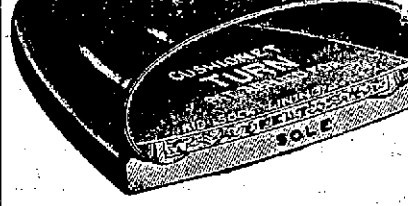

"If the business men of the city wish  
to have an old time Fourth of July cel-  
ebration they must get together and act.  
It will take a neat sum of money to  
carry the thing through, and the money  
will have to be raised by popular sub-  
scription. There is an enormous amount  
of work connected with a celebration."

Several cities in the southern part of  
the state and northern Illinois announced  
the holding of celebrations a month ago.

### DAMAGE CAUSED BY STORMS.

Several Wisconsin Villages Have Suffered Heavily.

### THREE KILLED IN ILLINOIS.

Much Property Destroyed in the Vicinity of Rockford—Heavy Winds Spread Ruin at Tonawanda, N. Y.—Buildings Unroofed at Pittsburg.

Milwaukee, Wis., May 30.—Reports of a severe rain and wind storm in western Wisconsin are coming in. At La Prairie several barns were wrecked and destroyed. British Hollow, a hamlet near Potosi, was nearly destroyed by the heavy wind. The town hall and several small buildings were blown down and other damage done.

Rockford, Ill., May 30.—In the storm of Sunday night three men were killed in this vicinity and much property was destroyed. Levi McCommond, a farmer living five miles north of this city, had gone into his cellar. Lightning struck the house, setting it on fire, killing McCommond instantly. McCommond's brother, who had remained upstairs, was badly injured, but will recover. Holden Rissler, a farmer living near Malta, was killed by lightning, and a farm hand returning from church at Marengo on a bicycle was struck and killed.

Kenosha, Wis., May 30.—During a storm last Sunday John Bruzga, a German farm hand in Somers, this county, was killed by lightning while walking through an open field.

Champaign, Ill., May 30.—Champaign county was visited by a tornado cloud Monday afternoon. The cloud appeared in the west about the middle of the county, and passed out to the south-east. The cloud was 200 feet in the air, but touched the ground four miles south of here, doing little damage. A severe hailstorm followed.

Sterling, Ill., May 30.—Storms Monday night and morning caused thousands of dollars damage to farmers in this vicinity. Fifty head of horses and cattle were killed by lightning.

Galena, Ill., May 30.—During the storm of Sunday the home of Mrs. Anton Stephen scales Mound was struck by lightning. The eldest daughter, Eva, 16 years old, was severely injured, and her life is despaired of. A younger daughter is also seriously hurt.

Pittsburg, Pa., May 30.—A terrific wind and rain storm did much damage here Monday. No lives were lost. Several buildings were unroofed.

Tonawanda, N. Y., May 30.—A severe storm passed over this city shortly after 4 o'clock Monday afternoon, leaving destruction in its wake. It lasted fifteen minutes, and did fully \$100,000 worth of damage along the river front, mostly in the lumber district. Charles Brown, a farm hand, was thrown from his wagon against a fence and killed. Frederick Johnson was injured fatally by the falling of a tree.

### TRAIN STRIKES STREET CAR.

One Man Killed and Several Injured in a Collision at Seattle.

Seattle, Wash., May 30.—An electric car containing twenty-five persons was run into Monday by a Northern Pacific train, killing one man and injuring others. The dead:

EMANUEL BROAD, a clerk.  
The severely injured are:  
Frank Hofeltz; broken leg and other injuries.  
E. L. Hope; arm mashed.  
The slightly injured are:  
Duncan Brown.  
"Ike" Newman.  
"Billy" Fisher.  
George Brown.  
I. McLean.  
Motorman Sharp saved his life by jumping into the bay.

Movement of War Vessels.  
Washington, May 30.—The Wilmington has arrived at Rio and will dock there. The Vixen sailed from Key West for Bluefields. The Montgomery has arrived at Pernambuco. The Marietta has been ordered north from Port of Spain, Trinidad. The United States auxiliary cruiser Prairie, Captain Mackenzie, with the North Carolina naval reserves aboard, arrived off the bar at Southport, N. C., after a cruise of seven days.

Paris Awaits a Spring Tide.  
Falmouth, May 30.—The tugs which were sent here from Liverpool to endeavor to float the stranded steamship Paris have been ordered to return home, which leads to the understanding here that no further effort will be made to tow the liner off until Friday, when the spring tide will be due. The water is gaining in her engine room, and more holes have been found in her bow. It is probable that the next step will be an attempt to lift her.

Admiral Dewey Is Better.  
Hongkong, May 30.—The United States cruiser Olympia came out of dry dock Monday. The needed repairs are finished and her war paint removed. She is now ready for her voyage to New York. Admiral Dewey is regaining his health rapidly, but is kept indoors at his hotel by the heavy rains. He has frequent talks with Lieut. Hobson with regard to repairs in the captured Spanish gunboats and the Merrimac exploit.

Will Expedite Naval Work.  
Washington, May 30.—Secretary Long has appointed a board of high officers to consider plans for expediting the work of the different bureaus of the navy department and insuring harmonious action between them.

# NEVER TOO OLD TO BE CURED.

S. S. S. is a Great Blessing to Old People. It Gives Them New Blood and Life.

Mr. J. W. Loving, of Colquitt, Ga., says: "For eighteen years I suffered tortures from a fiery eruption on my skin. I tried almost every known remedy, but they failed one by one, and I was told that my age, which is sixty-six, was against me, and that I could never hope to be well again. I finally took S. S. S. and it cleansed my blood thoroughly, and now I am in perfect health."

### WINE OF CARDUI

#### WOMEN WHO WORK.

St. Louis, Mo., Aug. 12.  
Though only 19 years old, I suffered from pains and female troubles two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high-priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for change of life and was greatly relieved.

MISS MARGARET WALSH.

Many girls and women find it necessary to earn their own living in various kinds of employment. Their work is often so hard and confining that the health breaks down. Their delicate constitutions are unfitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhoea, headache and backache. The pay of women workers is often so notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine of Cardui is truly a blessing. It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.
